## Saturday 11th May, 2019. George Eliot Outing, Chilvers Coton

Meet at 1.45pm at Griff House Beefeater, Nuneaton, CV10 7PJ. Hear a short history of Griff House, Eliot's childhood home, and find out about the plans for its redevelopment with John Burton and David Paterson. Drive to nearby All Saints Church, Chilvers Coton, CV11 4LU, where we hear about the unique history of the church and its links to Eliot's family, including a chance to visit the graveyard and some of the Evans family graves, with Russell Hogben. Lastly we visit Chilvers Coton Heritage Centre, once a school built by the Newdigate family in the 18th century, which now houses and preserves the memories of local communities, including several links to George Eliot. After a short introduction by John Burton, Chairman of the Heritage Centre, explore the Centre for yourselves, including the Victorian parlour and Museum of Memories, which includes some community curated exhibitions. Tea at 4pm at the Stratford Methodist Church, Old Town, Stratford, CV37 6BG, Lunch suggestion: Vintners (CV37 6EF; 01789 297259).

## Saturday 6th July, 2019. St Lawrence's Church, Ansley, and St John the Baptist, Berkswell with Dr John Hunt.

Meet at 10.30am at St Lawrence's Church, Ansley, CV10 0QR in the car park adjacent to the church. Dr John Hunt will show us how this church incorporates fabric of the twelfth century and later, including an enigmatic sculpture. Then take a 20 min car journey to St John the Baptist Church, Berkswell, CV7 7BJ, where a buffet lunch will be served. On-site parking for disabled use only but free public car park in the centre of the village and off-road parking on nearby Meriden Road. Dr Hunt will then help us explore St John's, one of the county's more celebrated churches, noted particularly for its elaborate double crypt, which will form part of the visit. The building also comprises Romanesque and later fabric. Tea will follow at 4.30pm. Dr Hunt will help us investigate the developmental sequence of the two churches and find out about their tenorial history and landscape setting, taking account of the medieval communities these churches served as well as the buildings themselves. John promises us the chance to get actively involved in an understanding of how these two churches evolved. Both churches are accessible for wheelchairs (apart from the Crypt at St John's).
