Warwickshire Local History Society (WLHS) is aiming to go ahead with a modified summer outings programme.

We follow any government rules in place at the time and will also take the following actions to keep people safe:

- We will try and stick to outdoor outings where possible; outings that have an element indoors will be risk assessed individually to see if it's safe to go ahead.
- We will restrict numbers to follow government guidelines: provisionally 30 outside, from 17th May. This number includes the speaker(s) and organiser. Therefore our outings will be restricted to members only for now.
- We will provide a microphone so that the speaker can be easily heard outside without people having to crowd close together.
- We will not provide any catering for the time being, as this encourages mixing and because of hygiene issues.
- We will try and choose outings with easy access to toilet facilities (for example public toilets) but members use these at their own risk.
- We will bring hand sanitiser and a small supply of disposable masks, should you forget to bring your own.
- Our First Aid Kit will have a supply of surgical grade face masks, gloves and aprons so that we can treat any first aid cases safely.

We will run all outings with an expectation that the following safety precautions would be followed by all who wish to attend:

- Please do not attend one of our outings if you have covid symptoms, have had a recent positive covid test or have been in close contact with someone who has covid symptoms or has had a positive covid test. We will give you a full refund if you are unable to come for this reason.
- Please wear a mask wherever possible, even outside. (We accept that sometimes it is difficult to wear a mask and walk briskly but when we are stationary masks should be worn if possible).
- Please maintain social distancing wherever possible, even outside.
- Please bring your own hand sanitiser in case there is none at the venue.
- Please be aware that some people on the outing will not have been vaccinated and act accordingly.
